

THE FIRST QUESTION YOU NEED TO ANSWER: **DO YOU NEED TRAINING TO**

PREPARE TO BECOME A CMMC ASSESSOR

CMMC assessors are credentialed to conduct CMMC assessments of organizations seeking certification at a specified CMMC level.

TRAINING PATH TO PREPARE TO BECOME A CERTIFIED CMMC ASSESSOR

If you are seeking to become a certified CMMC assessor you will need to follow the CMMC certified curriculum below. **YOU DO NOT NEED TO TAKE ANY OF THESE COURSES & CERTIFICATIONS** if you are just seeking to be certified at Level 1 or Level 3. These courses **ARE ONLY FOR ASSESSORS**.

- **Certified CMMC Professional (CCP):** An entry-level certification used as a pre-requisite to becoming a certified assessor or instructor. Additionally, in-house employees may benefit from the training and certification of a CCP while assisting their organization with the buildout of CMMC maturity capability.
- **Certified CMMC Assessor Level 1 (CCA-1):** A professional authorized to conduct CMMC assessments for Maturity Level 1 and recommend Maturity Level certifications pending CMMC-AB Quality Assurance (QA) approval. Certified CMMC Professional (CCP) is a prerequisite.
- **Certified CMMC Assessor Level 3 (CCA-3):** A professional authorized to conduct CMMC assessments up to Maturity Level 3 and recommend Maturity Level certifications pending CMMC-AB Quality Assurance (QA) approval. Certified CMMC Assessor ML-1 is a prerequisite.

PREPARE FOR A CMMC ASSESSMENT

CMMC assessments are required for companies that seek to do business with the U.S. DoD, GSA, or other government agencies.

TRAINING PATH TO PREPARE FOR A CMMC ASSESSMENT:

If you are a DOD/GSA/DHS supplier and need to prepare for a CMMC assessment, the courses that can help you include:

- **For CMMC Level 1:** Take the Celerium CMMC Insights: Foundations & Maturity Level 1 for Suppliers Course. This course covers the foundations of CMMC & the level 1 practices.
- **For CMMC Level 3:** Take the Celerium CMMC Insights: Maturity Level 3 for Suppliers Course. This course covers CMMC levels 1, 2 & 3 in addition to foundations.
